

## NEWS RELEASE

PENTICTON, BC, November 23, 2021

*For immediate release:*

### **Back by popular demand!**

*The Meadowlark Nature Festival will return to the South Okanagan this coming spring after a 2-year hiatus for the health and safety of our supporters and participants.*

*As Covid 19 concerns ease and people look forward to getting back to a new normal, we have had many calls and emails looking for information and confirmation. We thought it best to let everyone know we will be going forward.*

*We will look a little different in 2022 in order to abide by any restrictions laid out by the Provincial Health Authority, but we are well rested and eager to offer the best festival yet!*

*We will have more information for you as we get more organized but mark your calendars for **May 20-23, 2022.***

*We are excited to be welcoming back all our devoted volunteers, supporters, and guests.*
